Fri Feb 20, 2015 11:44 pm (PST) . Posted by: [asncaalert](#)

Hi Everyone

We have a week to prepare our agenda for our next local issues meeting on Monday March 2 at 8PM (it's due for distribution next Friday morning). So far we've had a terrific response to our Poll on some community issues- if you haven't answered yet please do: <https://www.surveymonkey.com/r/NM66CRX>, we'll be addressing the results at the meeting (and I'll post these topics on the agenda in advance).

Also I'm happy to announce we're reviving our speaker series as a means to attract more attendees to our meeting and also simply to use the great space we have reserved at Carlin G to get together and hear someone talk about an interesting topic. If you have any ideas for programming please don't hesitate to suggest- right now we are booked through summer. Please see attached poster below, and if you have a chance please come to see artist Daniel Marlos talk about the Bugs of Mt. Washington on

Monday March 2 at 7:15!

Thanks

Padraic Cassidy

Chair, Mt. Washington Local Issues Committee

HIGHLAND PARK (CBSLA.com) — Like a coach getting his or her team ready to take the field, Samuel Kullens gives his charges a pep talk.

“We’ve done fantastic work but let’s do better, every single thing that we do,” says Kullens.

But this pep talk isn’t too athletic standouts. He’s peppering the nine-member academic decathlon team at Franklin High.

The team is prepping for a challenging state competition.

“What drives me is what’s waiting for me at the end — and that is success,” says junior Vanessa Delgadillo.

CBS2’s Amy Johnson spoke to the eager decathletes and their coach Thursday.

The team from Highland Park finished fourth in LAUSD’s Academic Decathlon and tied powerhouse Granada Hills High in the super-quiz portion.

The decathlon pits 59 high schools against each other.

Johnson reports the impressive showing from Franklin was considered unlikely by some. Even from some members of the team.

“As a team we really didn’t think we had the potential to go that far,” says senior Robert Cabrera.

Franklin High’s student body is 90 percent low income. A majority of the Latino students are on free or reduced lunch.

“Although we don’t have the same resources, or the same opportunities, says senior Yamileth Renteria, “because of our backgrounds that’s not something that should limit us. That’s something that should

drive us much harder.”

And it's coach Kullens helping push them.

“If you set the bar high enough and you give them the structure, and an institution in which to succeed, they'll do it ten times out of ten,” says Kullens

Franklin High has competed in the decathlon for 25 years — but this was their first super-quiz victory.

“We tied first place with Granada Hills,” says a beaming Kullens, “Who is hyper competitive. Three time national champions. Very polar opposites.”

Franklin High's Principal, Arturo Valdez, says his students' hard work has brought this competition to a more level playing field — and it's not where you come from that matters, but where you are going.

“The majority are what you would consider a non-typical academic decathlon team,” says Valdez, “and they've taken on the Bell High Schools and the Garfield High Schools, all these other schools who are turning it up.”

On March 20th these students will be ready to compete against anyone, reports Johnson.  
“Show everyone just what we're capable of,” says Delgadillo.

[Editor's Note: Eleven local schools, including Franklin, will compete in next month's state championship competition. The other schools include Granada Hills Charter, El Camino Real Charter, Marshall, Garfield, Bell, Hamilton, North Hollywood, Van Nuys, Grant and Harbor Teacher Prep.]

Friends,

Gung Hay Fat Choy! Gung Hay Sun Nien!

Happy Chinese Lunar New Year! May the coming New Year bring you joy, prosperity and peace.

We are beginning the year of the Green Wooden Ram.

The Ram, being the most artistic of the zodiac animals, heralds a year of creative potential and energy.

The Chinese Lunar New Year, also called Spring Festival, is the most important holiday in Asia and for Asian Americans abroad.

Los Angeles boasts one of the most diverse Asian populations in the world, with our Chinatown hosting one of the oldest and most recognized New Year's celebration in America, drawing more than 150,000 people visit the region for festivities throughout the month of February.

I am honored to represent Chinatown in the First District and look forward to participating in this year's 116th Annual Golden Dragon Parade & Chinese New Year Festival tomorrow in Chinatown beginning at 1:00 p.m.

Sincerely,

- Gil

## LEGISLATIVE UPDATE

### Chinese New Year Council Presentation

We were honored to host the Miss Los Angeles Chinatown Queen and her court, the East Wind Foundation for Youth Lion Dancers and Chinese Deputy Consul General Wang Lei in Council today to celebrate the New Year.

Part of our rich Chinese New Year traditions is the Miss Los Angeles Chinatown Pageant, which is celebrating their 50th annual pageant. I was happy to recognize the Miss Los Angeles Chinatown Queen and her court. Miss Los Angeles Chinatown Pageant is a contest to select individuals from the Greater Los Angeles area as Chinatown's ambassadors to serve and represent the Chinese community. The program is sponsored by the Chinese Chamber of Commerce of Los Angeles. On behalf of the City of Los Angeles, we extend best wishes for the continued success of the Miss Los Angeles Chinatown Pageant.

The honorable Wang Lei, Deputy Consul General of the People's Republic of China in Los Angeles also joined us to celebrate Chinese New Year 2015 and welcome in the Year of the Ram. The Deputy Consul gave a Lunar New Year's greeting to the City Council and all of Angelinos. We thank the Deputy Consul General and look forward to celebrating the New Year.

After the Council meeting, we hosted a wonderful luncheon with community members at the City Hall forecourt. We thank all of the sponsors who made such a fantastic Chinese New Year celebration possible.

### Immigration Reform Update

A federal judge this week blocked the President's executive action on immigration, potentially affecting an estimated 5 million undocumented immigrants. On Tuesday Councilmember Cedillo joined SEIU-USWW (United Service Workers West) President David Huerta, Congresswoman Maxine Waters, Congresswoman Judy Chu, the Coalition for Humane Immigrant Rights of Los Angeles (CHIRLA) Executive Director Angelica Salas, and other community leaders at a press conference and rally outside City Hall to promote applications for the expansion of the Deferred Action for Childhood Arrivals (DACA) program as well as denounce the injunction.

Councilman Cedillo stated, "Shame on you Judge Hanen. President Obama was well within his power, moving on an immigration policy that Congress continues to sit on."

Los Angeles is home to the largest number of families that will benefit from the President's executive action and we must take a stand to support them. With the passage of this resolution, we will move forward and oppose the injunction and any actions that will impede the implementation of these important executive actions.

On Wednesday, Councilmember Gil Cedillo asked his fellow Councilmembers to support a resolution that supports any administrative and legislative action that would contest the Texas Federal District Court ruling suspending the President's executive action on Immigration.

## FIELD UPDATE

#### Big Belly with Altamed

As part of a 6th Street corridor revitalization project, Team Cedillo recently installed three Big Belly Compact trash cans along 6th Street. The Big Belly waste dispensers were sponsored by Altamed. They feature information about Altamed's PACE program, which is a managed-care program that uses an interdisciplinary team approach to provide patients with medical, social, nutritional and rehabilitative services. The PACE program makes it possible for those who are frail and meet nursing home eligibility criteria to live with dignity and pride in their own homes while receiving all the care they need.

#### MacArthur Park Community Meeting

On February 11th, Over 60 community stakeholders attended Councilmember Cedillo's community meeting, to discuss the proposed 7th Street/Alvarado Street entry way improvement. This will be the first of a series of community gatherings regarding proposed improvements to the park. The enhancements come as part of a set of priorities highlighted by residents.

Extensive door-to-door outreach of the neighborhood began in July of last year through a collaboration with the Los Angeles Neighborhood Land Trust. Additional improvements include lighting, drought tolerant landscaping and signage. The enhancements will be funded through Proposition 1C, which is the affordable housing bond component of the State's strategic growth plan. The timeline for completion of the project is December of 2015.

#### Flag Ceremony

In honor of President's Day, Councilmember Cedillo assisted in hanging our new flag at Veteran's Memorial Square in Highland Park that was purchased by the Councilmember. We were honored to have help with the 15' x 25' foot flag from Franklin High School JROTC, led by Major Miguel Rodriguez, and American Legion Post 206 Representatives, Commander David Bloom and Sergeant-at-Arms David Hook.

Community members were thrilled to see the new flag go up in its glory. We were honored to have representatives from the Highland Park Chamber of Commerce, the Arroyo Seco Neighborhood Council, members of the Northeast Patriotic Committee, and most importantly, some of our Northeast Veterans. A very special thank you to York Appliance, who kindly provided us with a ladder to hang the new flag.

#### Chinatown Resurfacing

Working with Chinatown residents and businesses our office coordinated the resurfacing of several streets in Chinatown. A great way to kick-off the Chinese New Year prior to hundreds of thousands of visitors to Chinatown.

Newly resurfaced streets are: Yale St from Bernard St to Ord St; Ord St from Hill St to Yale St; Bernard St from the Dead End East of Yale St to Yale St; and Bernard St from North Broadway to Hill St

#### New Street Lights in Ave 49

DWP worked diligently to place new lights on Avenue 49 near Sycamore Grove Park. Team Cedillo listened to the Neighborhood Watch concerns for public safety and was able to work to improve the street lighting that will enhance road safety. We wish to send a special thank you to the DWP team that partnered with our office.

#### Primavera Road Double Stripe

Mt. Washington West Neighborhood Watch requested a double yellow stripe on Primavera. Team Cedillo followed up quickly and so did our Bureau of Street Services! Public Safety is a priority for our constituents. Thank you Helen Wong for assisting us and representing your community so well!

#### CERT Class at Mt. Washington Elementary School

Mt. Washington Elementary is starting its own Community Emergency Response Team beginning Tuesday March 3rd at 8:30 a.m. sponsored by Councilmember Gil Cedillo, LAFD and the Mt. Washington PTA.

We encourage parents that after you drop your kids off at school, stay on campus and participate in this life changing seven week course. The program is open for all residents, especially those who are home during the day.

Did you know that in 95% of all emergencies, the victim or bystander provides the first immediate assistance on the scene? This course will teach you what to do in the event of a disaster.

Please help improve the safety of our community, your family, your neighbors and yourself. Disaster could strike at any time of the day, and those who are home in the morning or afternoon will be the ones to jump to action- let's be prepared!

CERT class dates are Tuesdays 3/3-4/21 (no class on 3/31/15)

8:30 a.m.-11 a.m. in the Jack and Denny Smith Multi-Purpose Room

Mt. Washington Elementary at 3981 San Rafael Ave. Los Angeles. CA 90065

You must complete all seven classes to receive certification from LAFD.

Where the left is stimulated, perhaps the right becomes jealous. What type of apparatus is the brain

that's capable of naming itself? Perhaps Big Butter, a Step Felt in Full cannot rightly be expressed with words, this dual show featuring artwork and music from brothers Mike & Tim Biskup. At times the Big Butter moniker represents the experimental music made by the brothers, and other times it's meant to house the other works of the Biskup camp. Saturday, February 20, opening reception at Slow Culture.

Rapper Nelly sang "Good gracious, ass bodacious" way back in the early naughts. What he was talking about is better left for future scholars. But what we can mine from that nugget of knowledge is that life can get a bit hectic at times. Like all the comedy that's up for grabs this weekend. There's Gentrification, a backyard comedy show in Highland Park featuring Melinda Hill, Dave Ross, Laura House, and then there's Eagle Rock's Whatever series hosted by Eric Dadourian & Allen Strickland Williams. Both events are happening Friday night.
